

Workplace Coaching | Create a culture that engages teams for great performance

Learn powerful coaching and leadership skills, theory, and competencies that can be immediately applied within your organization. Engage teams to maximize performance, and create a culture that adapts to change and growth

This program is designed for Executives, Managers, Leaders, HR Professionals, Entrepreneurs, and Sales People in the private, public and not for profit sectors that want to create a collaborative work culture.

YOU WILL LEARN

- The Excelerator Coaching™ System, which is accredited by the International Coach Federation, and is part of the core curriculum of the Certified Executive Coaching program at Royal Roads University
- Structures, tools, and resources to coach individuals and teams
- Essential skills for improving your own and other people's performance
- How to use a coach approach to promote responsibility and collaboration
- The Strength Deployment Inventory®, a relationship awareness tool for learning and change. Inventory to be completed pre-workshop
- When, how and why to use coaching in the workplace

TESTIMONIAL FROM PAST PARTICIPANT

"It has given me a new passion for myself, my job and people in my life. As I worked through the four stages of coaching I now have new tools to make changes within myself in my leadership role."
